

Board Meeting Minutes Sunday, March 15, 2020

It was determined at the beginning of the meeting that a quorum was established.

Board Chair, John Zeilinga began meeting at approximately 11:20 a.m. He announced this meeting was to only approve that the Search Committee be allowed to offer and negotiate with candidate Seth Moorman a Pastoral Package.
Pastor Steve opened with prayer.

Search Committee chair, Bruce Findley reiterated who was on the committee and thanked them for their hard work these past months. He briefly reminded the board what the congregation was asking for in a new Pastor as was written in the handouts given in August of last year. Their search began in October and interviews began in December. It was decided that Pastor Hunter Chadwell was not a suitable candidate based on what the congregation had expressed they wanted. This was a very difficult decision for the committee. Approximately 30 resumes were received and out of those they narrowed it down to 3 possible candidates. Over a brief time all 3 of those declined the position. A new search began.

The committee met with Pastor Seth Moorman and his family for 2 ½ hours. They had a second meeting lasting another 2 ½ hours. Afterwards it was a unanimous decision by the committee to select him as their approved candidate.

After a brief Q and A session with the Board, a motion was made by Jamie Zeilinga that Board allow the Search Committee to begin

negotiations with Pastor Seth Moorman to become the new Pastor of Providence Christian Church. Jim Wise seconded the motion. The motion was unanimously passed.

If Pastor Seth agrees to the package offered he will start approximately on August 16, 2020.

The Board thanked Bruce for all the hard work put in by his committee. John Zeilinga adjourned the meeting.
