# Missions - Serving His world

## CSI Update Summer 2020

### Missions Re-imagined

With travel being limited or completely halted since March we've had to realign our teams and think differently about what CSI is able to provide. We refer to this as 'Missions Re-imagined'. While our long-term goal is still to return with teams to the field to serve, in the short-term we are still looking to God to guide our staff and missionaries where He feels we are best called.

A good example of this is happening next week in Jamaica. We are hosting a Virtual House Build with the Delphi United Methodist Church (Delphi, IN). Follow the journey with them online at <https://csiministries.net/delphivb/>

Instead of boarding a plane and flying down to Jamaica to build a home in the warm Caribbean sun, this team of 22 is sharing the load with our Jamaican staff who become the hands feet on their behalf.

The team will connect via "ZOOM" and share devotions with the staff and recipient family via videos. There will be optional activities to do in the U.S. to ensure they still get the 'mission house' experiences...like cold showers, no internet or cell service and delicious Jamaican food. [please note - nothing in the U.S. compares to Pinto's cooking]

The Delphi team had been planning for a year to fly down in June. Like many of our other teams, they are still planning to travel in 2021. Until then, we have multiple families in line and waiting to get a build a home. As we have stated in the past, responding to God outweighs responding to the need. The need for teams and homes will always be in Jamaica. But we as an

organization are to respond to God! What is he calling you to do?

In North America teams are starting to form and be prepared to 'Go'. The opportunity to serve in North America will come quicker than our international counterparts. Recently Curt and Michelle, North America Direc-

tors took a small team to Mountain Mission in Grundy, VA where they installed 167 blinds. "We thank you, Lord, for the ability and the opportunity. We accomplished something lasting while growing deeper in the Lord as a group in the process," stated Curt Turanchick, "Such a special thanks to John Fansler at Budget Blinds for your heart and passion for Jesus!"

Another way we are 're-imagining' missions is to serve our U.S. partners. On a recent call with our partners in Missouri at Shiloh Christian Children's Ranch we asked how we could support them. Their answer surprised us, but also allows us the opportunity to think differently about serving.

God calls us to respond to Him. So, we did. We started a new campaign and have raised over half the funds needed to build a Frisbee Golf field for the students living on the ranch. Since 1977 Shiloh Christian Children's Ranch has provided Christian homes for abused, neglected, and other at-risk children.

These homes are run by 'host families' who are there to meet the spiritual, emotional, educational, social, and physical needs of each child. As you might expect, engaging any child right now during a quarantine is a big challenge. The team at CSI prayed about this and decided to make this opportunity available to our friends, team members and supporters. Making an impact in the world in a way that draws others closer to Christ is our mission. This objective fit right in that box for us.

If you or your church are interested in serving in North America please contact our Directors Curt & Michelle Turanchick. [curt@csiministries.net](mailto:curt@csiministries.net) or [michelle@csiministries.net](mailto:michelle@csiministries.net)

In Jamaica, our staff is ready for the teams to return. Due to Covid-19 the general atmosphere in the country is more cautious and not as welcoming. Recently our Executive Director John Key met with Jamaican pastor's who are enthusiastic about coming along side CSI to follow up house recipient families and much more. They are eager to be at the house builds working to create relationships in the communities to share the Gospel long term. And it all starts with a house!

# VBS recap

VBS ran from July 6-12th this year at PCC. The theme was “The Knights of North Castle,” which focused on the Armor of God from the book of Ephesians chapter 6. We had 20+ kids attend throughout the week.

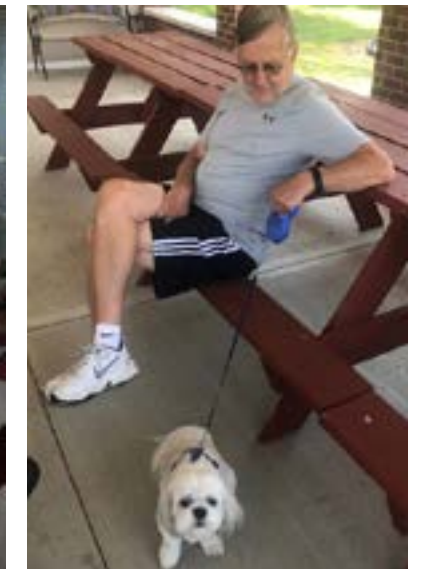

Kids learned how to “armor up” and put on their belt of truth, breastplate of righteousness, shoes of peace, shield of faith, helmet of salvation and their sword of the Spirit, through Bible teaching, playing games, making crafts, special snacks and singing songs.

VBS took up an offering each night to benefit the Johnson County Humane Society. The total collected was \$363.22.

Thank you to all who helped make this year’s VBS a great one!

# It's great to be back!

In coordination with the American Cancer Society, the decision was made to cancel the Relay For Life Event this year. It was to be held on September 12.

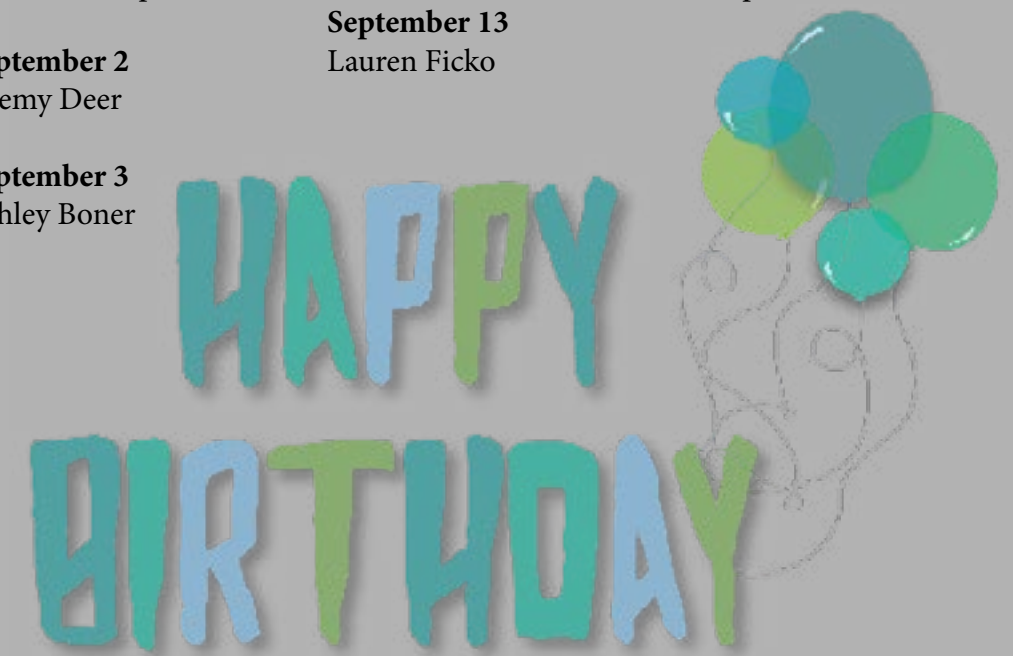

As of now, our event has raised \$55,926. All of these funds will go to Fund the Mission of American Cancer Society. We will close out 2020 fundraising efforts as of July 31, 2020 and all funds raised as of August 1, 2020 will go towards our event for 2021. All names will be retained for luminaries purchased for 2020 and will be displayed for 2021. Thank you to all who helped with this year’s event.
