Missions – Serving His world

CYBC Partner Church Newsletter-Fall 2020

Mission: Connecting the heart of a child to the heart of God through the truth of His word and the love and compassion of Jesus followers

Vision: So that all God's children will know Him, love Him, and lead others to Him.

Hello Partner Churches!
What a year this has been! Changes, struggles, challenges all around, yet time and again, we have witnessed Christ's love, protection, and joy shine through! CYBC is working hard to remain on-mission through online lessons as we share the hope and surety Christ offers a hurting world. We pray to continue to partner together to reach lost students and families in your community with the love and salvation of Christ Jesus, and we are making efforts to intentionally point families who need churches to you. We are so thankful for each Partner Church. It is because of your generosity of resources that CYBC can continue to access families in public schools with engaging lessons taught by volunteers who share a passion to reach this next generation for Jesus.

CYBC went to an online lesson format in response to school closures and current restrictions that remain in place during school openings. While we attempted to reach our K-12 audience in this manner during the spring, feedback resulted in CYBC making a difficult decision to focus our teaching resources on K-5th graders via the CYBC YouTube channel this semester. Thank you, Partner Church Pastors, for your generous gift of time as you have

taught CYBC lessons live on social media, or taken time to prerecord messages for our YouTube channel. The lessons have been powerful, engaging, have resonated with students, resulting in weekly participation.

Second semester, elementary and middle school clubs will not resume in person in school buildings. The high school club may have an opportunity and we would appreciate prayer for CYBC to meet where we can and where there is a need. Wednesday afternoons, CYBC will continue teaching elementary students "The Life of Jesus" online. If you would like someone from your church featured teaching a CYBC lesson, please let us know at partnering@cybcweb.com and we will connect you to the online teaching coordinator. In other news, we are excited to participate in Operation Christmas Child, although it will look a bit different this year. But, doesn't everything look different this year!

Please welcome Jennifer McCarty as the Partner Church Ambassador for CYBC

Jennifer is a lifelong resident of Greenwood, Indiana. She has been married to her high school sweetheart, Josh, for over 24 years, whom she also works alongside at their family business. She is the proud mother to three children, and also a former Club Team Leader for CYBC at Center Grove Elementary. Jennifer led in CYBC for 6 years, where she shared the love of Jesus with as many as 240 elementary children each Wednesday. Jennifer is passion-

ate about her family, her faith, their business, and she also enjoys leading women's bible studies in her free time. We are grateful Jennifer has answered God's call to become CYBC's PCA!

Jennifer is looking forward to meeting with each of you! Please contact her at partnering@cybcweb.com with any questions or to schedule a time to meet together.
